What you will need to do

To ensure your settlement isn't delayed, the below document(s) will need to be completed, signed (if applicable), and sent back as soon as possible. If you don't have access to any of the required documents listed below, you can contact your lending specialist.

- The building insurance policy for all properties to be used as security (for any properties being constructed, this is required at final payment stage).
- The executed loan agreement, securities, and any other documents we need as a result of searches and enquiries made in documenting the loan and securities.
- The Certificate(s) of Title for all properties to be used as security.

Important: There may be some situations that prevent your loan from being finalised. This could include changes to your financial situation or the suitability of the properties securing the loan. We will only provide the funds once our standard terms and conditions have been met.

Next steps

Your loan contract and terms and conditions will be sent to you electronically through DocuSign®. If you wish to proceed, read, sign, and return these documents electronically (except for the mortgage form if necessary).
