Important:

This quotation:

- May be accepted until 30 Sep 2026 and is subject to all invoices previously issued in relation to the lease being paid in full
- Is an estimate based on the original terms and payment schedule of your lease and may not reflect any payments currently in progress
- Relates to the Early Payout Amount of your leased vehicle and does not include any amounts which may be owing by you in connection with the management of your vehicle.

If you wish to proceed with early termination:

- FleetPartners will generate a tax invoice with the final Early Payout Amount
- FleetPartners will commence terminating your lease with effect from the date of this quotation
- In accordance with the terms and conditions of your lease, our security interest (PPSR) in the vehicle will be released when all invoices relating to the lease have been paid in full
