Upcoming repayments

Your upcoming repayments in the statement period of **14 May 2026 - 13 Jun 2026**.

Total scheduled repayments	**$325.00**
Flex	
Monthly	**$325.00/month** ($325.00 total)

Flex minimum repayment	**$289.46**
Repayment due date	**13 Jun 2026**

Consider paying more than the Minimum Repayment Amount. Only paying the minimum will take longer to clear your balance and you may pay more in interest.

Please note:

Your Minimum Repayment is **$50** or **3% of your Closing Balance**, whichever is greater.

Reminder:

If your scheduled payments are not sufficient to pay your minimum monthly repayment in full by the due date, we will automatically increase your scheduled payments to meet that amount. Where your minimum monthly repayments increase or decrease in later months, we will adjust your scheduled repayments accordingly.

Paying only the Minimum Repayment amount will generally not repay a purchase within the interest free period.
