IMPORTANT INFORMATION

Debit and Credit Adjustments:
Occur when there has been a change made to your case for previous periods, for example, a change in the level of care of your children or the income information of either parent. You are advised in writing of any changes to the child support register that affect your account.

Late Payment Penalty:
A monthly late payment penalty may apply if you do not pay by the due date or have an overdue balance. You may ask for it to be reviewed if the reason you paid late was beyond your control or there were other special circumstances.

Missing a Payment?
If you have paid close to the statement issue date it may not have been processed in time to be shown here. Call us on **131 272** if you need more information about your payment.

Tax Refunds:
Your tax refund will be used to pay any overdue amount, even if you have a payment arrangement. If this will cause you serious financial hardship, call us on **131 272** before you lodge your tax return.
