Important Safety Notice: Keeping Your Passcodes Safe

This message is a reminder on how to keep your passcodes safe.
Passcodes includes passwords, PINs, SMS codes and authentication tokens used to gain access to your internet, phone and mobile banking or to approve a transaction.

- Do not share a passcode with anyone, including family members, friends or anyone who claims they are from the bank.
- Unless you make a reasonable attempt to disguise a passcode or prevent unauthorised access to it, do not keep a record of a passcode on a device, or on anything you carry with your device, or on anything that could be lost or stolen.
- Do not select a passcode that represents your date of birth, your contact number, or is a recognisable part of your name, or otherwise forms a pattern or can be easily guessed.
- Do not act with extreme carelessness – always take extra care and caution to protect the security of your passcodes.

For further guidance on how to keep your passcodes safe, visit the Electronic Banking Terms and Conditions (available at commbank.com.au)
Remember, you may be liable for any loss that you contributed to by not keeping a passcode safe. Liability for losses is determined under the ePayments Code and not these guidelines.
For information on disputing transactions,visit: commbank.com.au/support/disputing-a-transaction.html
Contact us immediately on 13 2221 if you've noticed any suspicious activity on your account or if you need to report a lost or stolen card.
