Important Passcode Safety Notice
This is a reminder on how to keep your passcodes safe, how to report unauthorised use, and your rights under the *Code of Operations – Services Australia*.

Passcode Security Guidelines Summary
Passcodes include your PIN, internet and phone banking passwords, security token codes and one-time passwords.

- Your passcode cannot represent your date of birth or be an alphabetical passcode that is a recognisable part of your name.
- Do not share your passcode with anyone, including a family member, friend or someone who claims to be from the bank.
- Unless you make a reasonable attempt to disguise your passcode or prevent unauthorised access to it, do not keep a record of your passcode on anything you carry with your device or anything that could be lost or stolen.
- Do not act with extreme carelessness in failing to protect the security of your passcodes.

More detailed passcode security guidelines (including in respect of cards, biometrics, security tokens and mobile wallets) are found in your product's *Account Access Conditions of Use* at www.bankwest.com.au.

Liability and how to Report Unauthorised Use
- Your liability for any loss due to unauthorised transactions will be determined by the ePayments Code and not these security guidelines.
- You may be liable for any loss that you have contributed to by not following the passcode requirements.
- Contact us immediately on 13 17 19 if you have experienced any loss, theft or misuse of a device or passcode.

Code of Operation - Services Australia
The Code of Operation has been developed to make sure you can continue to access sufficient income for your living expenses if your account has a negative balance and you don't already have an existing repayment arrangement. If you receive an eligible income support payment while your account has a negative balance then you can still access up to 90% of the payment.

To access these amounts under the Code of Operation, please contact us on 13 17 19. More information about the Code of Operation is available at www.servicesaustralia.gov.au/code-operation.
