Payment Details

Payable Now:	
Overdue/Overlimit Amount	$122.10
Due by Payment Due Date	**19 Apr 26**
Minimum Payment Due	$143.00
Total Minimum Payment Due[TMPD]	$265.10
Closing Balance[CB]	**$7,122.10 Dr**

TMPD: The **Total Minimum Payment Due** is the sum of the Minimum Payment Due and any Overdue or Overlimit amounts. If we don't receive it by the Payment Due Date, you may have to pay a late payment fee.

CB: The **Closing Balance** is the total amount outstanding on Your Account at the end of the Statement Period. This includes any Instalment Plan balance not yet due for payment and any Balance Transfer balance.

The following warning is a legislative requirement intended to provide you with more information about the consequences of making minimum repayments. It doesn't include any amounts owing on Instalment Plans. The examples provided do not replace the minimum payments required shown in the Payment Details section.

Minimum Repayment Warning: If you make only the minimum payment each month, you will pay more interest and it will take you longer to pay off your balance.

For example, for the card balance portion of your closing balance:

	If you make no additional charges using this card and each month you pay…	You will pay off the card balance of $7,122.10 in about…	And you will end up paying an estimated total of interest charges for that card balance of…
1.	Only the minimum payment for the card balance	62 year(s) 10 month(s)	$38,541.08
2.	$365.94	2 years	$1,496.31, a saving of $37,044.77

Having trouble making repayments? If you are having difficulty making credit card repayments, please contact us on 1800 288 496. We may be able to assist you.

The examples provided in the Minimum Repayment Warning do not take account of annual card fees that will or may apply to your account (except for an annual card fee included in the closing balance on this statement). The calculation is based on the standard retail purchase rate and doesn't consider any promotional interest rates that may apply where more than one annual percentage rate applies to the card balance.

Payment Options
