Minimum Repayment Warning: If you make only the minimum payment each month, you will pay more interest and it will take you longer to pay off your balance. For example:

If you make no additional charges using this card and each month you pay...	You will pay off the Closing Balance shown on this statement in about...	And you will end up paying estimated total interest charges of...
Only the minimum payment	88 years, 8 months	$45,703.65
$246.09	2 years	$1,162.17, a saving of $44,541.48

Having trouble making repayments?
If you are having difficulty making credit card repayments, please contact us on 1300 130 107. We may be able to assist you. Please note: in the minimum repayment warning calculation, we use the cash advance rate and apply it to the entire balance.

Helping you identify your regular payments

Want to keep track of your regular payments? This handy list could help. If your card is upgraded, lost, stolen or expired, this list may help you to identify the businesses you need to contact to update your new card details.

While we've tried to identify all of your regular payments, this may not be a complete list. We encourage you to check your past statements or your transaction history in the CommBank app or NetBank for others you may have set up.
