Afternoon,

Please find further documentation and explanations below.

- I have attached 2 x Novated lease contracts which demonstrate the monthly lease payments
- My benefit statement from Maxxia. This outlines the pre tax deduction for each of the above leases. Note, that these deductions include the lease payment, and allowances for running costs such as maintenance, electricity (fuel), Tyres etc
- ATO income statement as at April 30 2026. This shows my income YTD including the bonus I was paid after the last financial year.

Please let me know if you need any further documentation or clarification.

Regards
Liam
