Minimum Repayment Warning: If you make only the minimum payment each month, you will pay more interest and it will take you longer to pay off your balance.

For Example...	If you make no additional charges using this card and each month you pay...	You will pay off the closing Balance for this statement in about..	And you will end up paying estimated total interest charges of...
1.	Only the minimum payment	18 years 2 months	$4,709.25
